

Welcome to the first edition of 2014 of PSAWatch, the ezine of the Private Security Authority. In this issue stakeholders are invited to participate in the development of the PSA's next strategy statement.

Opportunity For Industry To Participate In New Strategy Statement

The PSA is embarking on the development of its third Strategy Statement and is offering the security industry and other interested an opportunity to contribute to the PSA's regulatory agenda for the next three years. This consultation process provides stakeholders with an opportunity to inform the Board of the Authority on how best the PSA should fulfil its regulatory agenda.

A discussion paper "PSA Strategy Consultation" has been published which sets out the key areas which will influence the Board's deliberation on the new Strategy and also refers to the current operating environment, progress made to date and issues to be considered for the next strategic plan. You can download a copy of the document from [here](#).

The Board of the Authority invites submissions and comments on the discussion document from the security industry and other interested parties. Responses received will form part of the Board's consideration in formulating the next Strategy Statement for the PSA.

Submissions, which should be entitled "PSA Strategy Consultation" can be sent by;

Email to: public_consultation@psa.gov.ie

Fax to: 062-31731
